I got \$400 at the bank. There was not fee from the bank. I called the cc company. They said the cash advance fee was 2.5% or \$10 for this transaction.

Hi Phil - How much was your cash advance? You listed a cash advance fee of \$10.00...is that the ATM Machine Fee? There's the fee the machine charges, and then there's the 3% reimbursement per \$100.

Hi Peg,
Here is the voucher packet for last week's trip. The receipt from Bristol Bay Construction (last page) is lodging for the King Salmon Inn. It is the same business. A hard copy is in the mail.

Phil
